Brazos Legends Sizzlin' Steak Rub

The strong notes of garlic, cumin and paprika make this rub all the rage. It's extraordinary on steak as the name suggests but don't hesitate to dip those french fries in as well. brazoslegends.com; 713-795-5500

Bone Suckin' Mustard

Here's a new sauce much like the profile of Bone Suckin's original mustard, yet without the jalapeño. The flavor leads with a sweet combination of brown sugar, molasses and paprika. There's no MSG; only a heck of a lot of zest that will make you want to suck the meat down to the bone to get every bit of sauce. bonesuckin.com; 800-446-0947
