

Munch and be merry!

What do you call gourmet saltwater taffy that is certified kosher? Orthodox Chews (\$8.95 per 1-pound bag, orthodoxchews.com). You saw it coming, it arrived and it was good, for a pun.

Organic heirloom popcorn, Mediterranean sea salt enhanced with shaved Italian black truffles and 10 paper serving cones. The pop-your-own kit from San Francisco's 479° Popcorn (\$45, 479popcorn.com) elevates popcorn to a new level, one far, far removed from ballparks and Barcaloungers. FYI: 479 degrees Fahrenheit is the optimal temperature for popping corn.
