### 479° Popcorn: Black Truffle Pop It Yourself Kit

One of our [Top Picks Of The Week](#), 479° Popcorn has had a ready-to-eat White Cheddar Truffle Popcorn since we first made its acquaintance. It's a great flavor, but we were even more thrilled when the company launched its pop-your-own truffle popcorn kit so we could make pure truffle popcorn. Any truffle lover will cherish it. In addition to heirloom organic popcorn, it includes truffled sea salt and a 16.5-ounce can of black truffle oil from another Top Pick Of The Week, [La Tourangelle](#).
