HOW TO ...

Spa-ah at home

100 Restore your skin with this face mask from facialist Die Hennicken, the founder of his own natural skin-care line. Avocado and aloe replenish moisture; grapes are rich in anti-aging polyphenols and vitamin E.

Cooling Facial Mask

- 3 green grapes
- ½ small avocado mashed into a creamy base
- 1 tbsp pure aloe vera gel (available at any health food store)

Mash grapes with skin on, and combine with avocado paste and aloe vera gel. Blend well to make a creamy mask, and spread a thin layer over face. Leave on for 20 minutes, rinse off, and pat skin dry.
